

# INSTANT COMMUNICATION, PROFESSIONAL STYLE.

**MOTOTRBO™ SL500e PORTABLE TWO-WAY RADIO**

# **MOTOTRBO SL500e PORTABLE TWO-WAY RADIO PERFECTLY SUITED FOR BUSINESS**

**YOUR BUSINESS RELIES ON INSTANT  
COMMUNICATION TO PROVIDE EXCEPTIONAL  
SERVICE. BUT YOU WANT A DEVICE THAT PROJECTS  
A SOPHISTICATED PROFESSIONAL IMAGE, NOT A  
BULKY ONE THAT GETS IN THE WAY.**

## KEY BENEFITS

- Beautifully designed
- Virtual keypad and display
- Bluetooth® connectivity
- Integrated Wi-Fi®
- Systems capable

Slim and lightweight, the MOTOTRBO SL500e portable two-way radio provides instant communication in a stylish and discreet design. It blends seamlessly with professional attire, allowing you to move freely. At the same time, it's durable and built to last.

The SL500e is designed with a virtual keypad and display, giving you quick access to key radio functions along with information at a glance - all without compromising your style. Connect discreetly to Bluetooth® earpieces and sensors, maintaining a smart look.

Access Wi-Fi networks for over-the-air software updates. Or, if you work in a larger organization, use the radio on trunking systems that support both data and voice.

And the SL500e is part of Team Communications, our unified workgroup communications solution that allows employees to communicate instantly, without boundaries, and with added intelligence across the entire organization.

**The MOTOTRBO SL500e portable two-way radio.  
Perfectly suited for business.**

## DISCREET PRODUCTIVITY

**THE MOTOTRBO SL500e PORTABLE TWO-WAY RADIO USES A VIRTUAL KEYPAD AND DISPLAY FOR DEVICE CONTROL AND STATUS MESSAGES, LIGHTING UP WHEN YOU NEED IT AND GOING DARK WHEN YOU DON'T.**

It simulates the feel and responsiveness of a physical keypad, allowing you to customize the buttons to vibrate, sound a tone, or stay silent. And its two-line OLED display gives you important information at a glance, including battery life, signal strength, current channel, and scrolling messages.

## SUITS YOUR STYLE

**SLIM, LIGHTWEIGHT,  
AND SOPHISTICATED,  
THE MOTOTRBO  
SL500e PORTABLE  
TWO-WAY RADIO  
GIVES YOU INSTANT  
COMMUNICATION -  
WITHOUT THE BULKY  
LOOK AND FEEL OF A  
TRADITIONAL RADIO.**

At just 23 mm, 0.9", it fits easily in your hand, or discreetly in a suit jacket or pants pocket. At only 193 grams, 6.7 oz, you can move freely and comfortably without being weighed down. Sleek and attractive, the SL500e blends with business attire and enhances your professional look.

## TALK HANDS-FREE

**IN ANY PROFESSION WHERE  
IMAGE MATTERS, IT'S  
IMPORTANT TO MAINTAIN  
A SMART, ORGANIZED  
APPEARANCE.**

The MOTOTRBO SL500e portable two-way radio connects with wireless accessories such as Bluetooth earpieces, allowing you to keep your radio out of sight - but not out of touch. Use apps with iBeacons to locate employees at a moment's notice. And as Bluetooth sensors become more prevalent in the workplace, the SL500e is ready to work with your new devices and apps.

## OVER-THE-AIR UPDATES

**YOUR TEAM SHOULD SPEND TIME HELPING CUSTOMERS, NOT MANAGING RADIOS. WITH BUILT-IN WI-FI, THE SL500e CAN BE UPDATED OVER-THE-AIR.**

Instead of programming devices one by one, IT managers can save valuable time by sending updates to the entire fleet. No more connecting cables by hand. No more taking radios out of service.

# READY FOR MORE

**MOTOTRBO SYSTEMS ARE SCALABLE SO YOUR NETWORK CAN GROW WITH YOU.**

The SL500e supports conventional operation for single sites and IP Site Connect so you can link multiple locations into a single network. Or scale up to Capacity Plus for higher call capacity thanks to the efficient channel and spectrum usage of MOTOTRBO trunking.

## UNITE YOUR TEAM

**THE SL500e IS  
PART OF TEAM  
COMMUNICATIONS,  
OUR UNIFIED  
WORKGROUP  
COMMUNICATIONS  
SOLUTION.**

Team Communications allows employees to communicate instantly, without boundaries, and with added intelligence across the entire organization. Pair MOTOTRBO products with WAVE push-to-talk and other data solutions to enable machines, applications and people to connect seamlessly, helping bridge the gaps so work gets done faster.

# PACKED WITH FEATURES

# ACCESSORIES
